

Kids LOVE our After School Program!

Davis Martial Arts created their after school program as an alternative for working and busy parents. Our program is not a day care program, it is a leader development program. Students will learn to focus their mind and body in constructive ways as well as learn to be a positive part of society. We have lots of FUN and learn valuable skills.

After School Program

Program Details

Our program is designed to bring out the best in your student.

Daily Activity

Your student is picked up from school and transported to Davis Martial Arts. After arriving, the students change and prepare for class. Classes are typically 45 minutes long. After class we play active games, then allow students some free time before parents pick up.

Other Info

We have cubbies for the students to keep their uniforms and belts during the week.

Our program does qualify for a childcare tax credit.

Daily and Weekly Info

Daily

- Make sure to sign your student out when you pick them up
- We will have snacks for sale for 50 cents. (You are also welcome to send snacks with your student.)

Weekly

- On Friday, take your student's uniform home to wash.
- Send a clean uniform with your student on Monday.
- Tuition is due on the Friday before the upcoming week. (please discuss alternative payment schedule with Ms. McMurray)
